STEVEDORING

We provide a range of stevedoring services across our two deep water quays. From containers and breakbulk to project cargo, our safety-led teams ensure your goods are handled with precision. Located within Portsmouth International Port with direct access to the national motorway network, we're the first choice for your shipping needs.

TERMINAL OPERATIONS

Our two deep water quays can accommodate sub-Panamax vessels, ensuring we can handle the next generation of UK trade. With a strategic location and seamless quayside services, we provide the ideal gateway for imports and exports.

Our continuous investment represents our transition into a more modern, diversified, and high-capacity port.

REEFER & FRESH PRODUCE

We are specialists in fresh produce. With temperature-controlled facilities and dedicated inspection points, we ensure your goods are handled with the care they require.

WHAT OUR CUSTOMERS SAY

“What truly stands out is their responsiveness. Whenever we have an ad-hoc question or need clarification on a customs issue, the Portico team is quick to provide clear, reliable guidance. Their support and guidance has become invaluable to our business.”

Sophie Robinson - TH Clements

VESSEL AGENCY

It's not just two deep water berths and a wide range of cargo handling services that we offer. Our experienced team can also provide your business with access to scheduled container services on a standalone basis.

QUAYSIDE WAREHOUSING

Our state-of-the-art refrigerated warehouses have the ability to store a variety of fresh produce at varying degrees, at the same time. We also have a bonded storage area and are a customs approved ETSF (External Temporary Storage Facility) location.

FREEPORT

As a core Customs Site Operator (CSO), Portico offers tariff-free movement, duty suspension, and deferral. Paired with the Dunsbury Park tax site, we provide significant fiscal incentives, business rates relief, and enhanced capital allowances for global traders.

Your partner for
true end-to-end
solutions for

DEEP SEA PORT FRESH PRODUCE BREAK BULK CONTAINERS BAGGED CARGO PROJECT CARGO

We work collaboratively with our partners,
tailoring solutions to their specific needs
and building long-term relationships
based on reliability, professionalism
and performance.

Beyond the quayside, we offer warehousing,
customs agency services, freight forwarding
and transport, allowing us to support our
partners with true end-to-end solutions.

Our people are central to everything we do. We offer our workforce the opportunity to work in unique and rewarding maritime roles, while giving our partners confidence that their operations are supported by skilled, safety-focused professionals who understand the demands of the port environment.

Our services

Terminal operations

As a deep water cargo terminal close to the main shipping channels, we are ideally placed to handle your sea freight.

Specialist handling

If it arrives by sea or road and needs lifting, shifting or storing, we'll take care of it at our deep water cargo terminal.

Modern facilities

Our continued investment represents our transition into a more modern, diversified and high-capacity port that can handle the next generation of UK trade.

Vessel agency

Our experienced team provides a range of vessel agency services, ensuring that all requirements for the vessel, crew and cargo are met.
